

Clerk's Report

Monday 16 February 2026

- The village gateway sign for Beare Green has been installed.
- Two new benches have been purchased from the National Trust. Both are replacements; one for Coldharbour and one for Capel burial ground.
- The thermostat in the Parish Hall has been replaced.
- Repairs to the Parish Hall roof began on 10 February 2026. It has been discovered that broken tiles were caused by cricket balls.
- Surrey County Council have carried out some works on the verge between the A24 and Beare Green Recreation Ground. Cuttings have been left in the ditch which need to be cleared. A request has been made to SCC to return and clear up.
