6. CAPEL NEIGHBOURHOOD DEVELOPMENT PLAN:

The Chairman informed the Committee that the NDP has been revised and is ready to be circulated. However, there has been a request from the representative of the Brook Cottage development to have this site included. Mole Valley District Council has been approached and they indicate that as the site had not been included in the Mole Valley Local Plan, it cannot be included. This site was included in the original NDP but was dismissed by the Inspector. The reasons for the dismissal are now considered to be irrelevant. If the Parish Council wishes to have Brook Cottage site included in the revised plan, the document would have to go out to consultation again, and substantial financial charges will be incurred which have not been budgeted for. Councillors were reminded that the NDP needs to be revised as it lapses in 2027.

7. LAND WEST OF THE STREET, CAPEL:

Councillors were advised that a communication had been received from the planning agent of Kingacre Estates Limited regarding the site west of The Street, Capel. Kingacre Estates Limited are aware that the NDP is being revised and updated and is keen to continue to promote the site as part of this process as an appropriate location for development.

Councillors have not supported this site in the past and there are no plans to consider it now. It was agreed the Clerk will contact Kingacre Estates agent advising that the Parish Council has no plans to amend the NDP to expand the area include this site.

For information:

Mole Valley Community Governance Review.

The Parish Council has been made aware the second stage consultation on the draft recommendations has been launched which include exploring the possibility of amending boundary for Holmwood Parish Council. An enquiry has been made to Mole Valley's Democratic Services asking if Capel could be aligned with Holmwood Parish Council. Some parts of Coldharbour (including one side of Anstie Lane) are partially Capel and partially Holmwood. Regularising this anomaly would make sense aligning all houses on the east side of Anstie Lane to be included in Capel's revised NDP.
